DALLASFOUNDATION.ORG

We connect donors to the nonprofit causes they care about.

About Us

The Dallas Foundation is a nonprofit, publicly supported community foundation. Since 1929, our sole purpose has been to help donors create charitable funds that reflect their interests. As the oldest community foundation in Texas, we look forward to helping others serve their philanthropic objectives, now and in the years to come. Although we are a Dallas-based community foundation, The Dallas Foundation works with many donors outside the area to make grants to charitable organizations around the United States and the world.

The Dallas Foundation Provides:

Education on charitable giving vehicles

Flexibility and tax advantages that surpass those of private foundations

Timely, discreet, accurate advice and assistance to professionals

Efficient, responsive, individualized service

Assistance with bequest and estate planning

Coordination of local site visits to nonprofit organizations

Information on local and national philanthropic trends, emerging and emergency community needs.

Giving Through The Dallas Foundation

Donors can establish a fund in their name, in a family's name, or in the name of any person or organization they wish to honor. Grants distributed from a donor's fund are awarded in the name of their fund. This person or organization will always be remembered and linked to good works in our community.

Our mission is to serve as a resource, leader and catalyst for philanthropy by providing donors with flexible means of making gifts to charitable causes that enhance our community.

Financial Spotlight 2017

Since our inception, The Dallas Foundation has given more than \$748,000,000 in grants to more than 6,000 nonprofit organizations.

The Dallas Foundation further strives to keep operating costs to less than 1% of assets. For the year ending December 31, 2017, the operating budget represented 0.85% of the average market value of our total assets.

Investment Options

The Dallas Foundation recognizes that no single investment plan can meet every donor's needs. That's why we offer a variety of investment options, designed for different levels of risk tolerance and investment time horizons, so that each donor can meet his or her unique philanthropic objectives.

If a fund has an asset balance of more than \$1 million, the donor may request a customized allocation or recommend an outside manager. As with any investment, past performance does not guarantee comparable future returns.
