The Jere W. Thompson, Jr., Scholarship is intended to award scholarships to full-time undergraduate students pursuing a degree in civil engineering and closely related disciplines at Texas colleges and universities. Each spring, a sophomore will be awarded a scholarship to be paid beginning in the fall semester of the student's junior year, and may be eligible for renewal for the senior year. To apply for renewal, a recipient must remain a full-time student, maintain a 3.0 GPA, and submit a grade report within 45 days after the end of each semester. If the renewal requirements are met, the scholarship will be renewed for the remaining semesters of the recipient's undergraduate program.
